Features over 90 employers and over 2500 great job opportunities

The Hamilton Training Advisory Board (HTAB) and its community partners are pleased to offer a one-day job fair featuring over 90 employers and more than 2500 job openings.

Tuesday October 16, 2007, from 10:00 a.m. to 5:00 p.m.

Hamilton Convention Centre - 1 Summers Lane, Hamilton, Ontario.

This year's Face to Face Job Fair promises to be better than ever with many new employers participating. *"This single event provides job seekers access to hundreds of meaningful employment positions and the opportunity to meet many employers in person,"* says Judy Travis, Executive Director of the Hamilton Training Advisory Board.

The theme of the Face to Face Job Fair is "Are You Ready?" and we encourage job seekers to show up prepared to meet many potential employers.

The Hamilton Training Advisory Board acknowledges the support of Employment Ontario in presenting this initiative in partnership with Community Centre for Media Arts and Perris Training Inc. We also acknowledge the media support of the Hamilton Spectator. In addition, the job fair has been supported by the many great employment service agencies in Hamilton.
